

# RIMLESS Ceiling Speakers WITH 100V LINE

CSX-6101T and CSX-5081T are elegant, rimless design ceiling speakers. They have an ultra slim grill with an almost invisible border and a limited grill depth which projects only a few millimetres from the ceiling surface. This graceful and unobtrusive grill is held in place by several powerful neodymium magnets, making disassembly and assembly very simple.

### Features

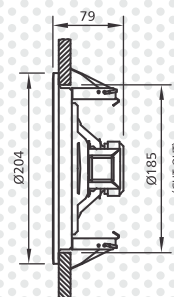

- **CSX-6101T** is a 6" Full Range Speaker with power taps of 10, 5 and 2.5 Watts.
- **CSX-5081T** is a 5" Full Range Speaker with power taps of 8, 4 and 2 Watts.
- Easy mounting with spring loaded wing clamps.
- 100V operation with easy selection of power taps through a terminal block.
